**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. We need a choice of providers to provide privacy and net neutrality options. We need rules that force incumbents to share their networks and poles.

We don't need monopolies. We need government to govern for the people and provide us with choices so we can have the best possible service with competition.
